**GREAT WALL OF  
BOOKS**

great wall of books is a ten year project dedicated to creating  
high quality contemporary art in public spaces for free.  
The project has worked with hundreds of artists and community  
internationally since 2005. Its future depends upon raising  
money to cover an unpaid invoice. its future as a touring  
archive of the thoughts and dreams of people across the globe  
depends on having an unforgettable night on March 21st 2009.  
its future depends on well...you
